HIGH SCHOOL EDUCATION

Shaoxing No.1 High School — Shaoxing city, Zhejiang Province, China

High School Graduate in Science — 04/01/2014 – 06/30/2017

- Rank 1/880.
- Prizes and awards:
  - 2015 and 2016's First Prize in National Math Competition for High School Students (top 50/10000+).
  - Golden Medal (50/3000) as individual in 13th Southeast China Math Olympics.
  - 2016's Second Prize in Zhejiang Province's Physics Competition for High School Students.
  - Tian Genyuan Scholarship (top 1), Sun Yunfang Scholarship (awarded for math competition performance).

NON-ACADEMIC EXPERIENCE

Extracurricular Experiences

- Academic Department of Student Union, minister (2015.9-2016.9)
  We offer methodological support in course work, organize non-academic lectures, debate competitions and knowledge contest. The department was the one of the most popular and active departments during my tenure.
- Headmaster assistant (2016.10-2017.6)
- Vice monitor of the class (2014.10-2017.6)
  I recruited my team with members having good sense of aesthetics and arts. We drew the blackboard newspaper once a month and decorate the classroom with fine plants and ornaments.

Interests

- Piano, I make a record of Chopin's most classical pieces.
- Football &Basketball.

COLLEGE EDUCATION

Peking University — Beijing, China

Bachelor of Economics — 09/02/2017 – 06/30/2021

- GPA: 3.85/4.00.
- Prizes and awards:
  - 2018's Leo KoGuan Scholarship (for top 10 in the School of Economics)
  - 2018's Fashu Foundation Scholarship: for top 10
  - 2018's University-level Merit Student
  - The third prize for excellent team: for graduates' summer social project
  - 2019's Excellent cadre of the Communist Youth League; 2019's University level Student Cadre.
- Exchange student at UC Berkeley in the fall term of 2019.
  - Course Ongoing: **Macroeconomic Theory (202A); Partial Differential Equation; Ordinary Differential Equation; Machine Learning; Topics in economic research (Econ 191).**

RESEARCH EXPERIENCE

UC Berkeley (Haas Business School) — Berkeley, CA

Research Assistant to Professor Victor Couture — 12/20/2018 – 04/01/2019

Chinese county level database

- The team's aim is to establish Chinese county-level panel database. I cleaned the data using pandas and finish the work of two Provinces with a program compatible to data of all the years.

Peking University (Guanghua School of Management) — Beijing, China

Research Assistant to Professor Li'an Zhou — 07/01/2018 – 08/01/2018

Political Economy: The Relationship between an officer's grass root experience and success of official career.

- I helped professor compile the early years' information of officers presently holding office higher than member of provincial standing committee of CCP
- Using basic knowledge of Chinese characteristic political system to categorize all kinds of official experience.

Peking University (National School of Development) — Beijing, China

Research Assistant to Professor Zhuo Huang — 05/11/2019 – 06/06/2019

Macro-financial uncertainty index

- Establish a database with macro and financial index and then using the method on Prof. Huang's paper to update his macro-financial uncertainty index.

WORK EXPERIENCE

Soochow Securities Co., Ltd.   City or State, China
Assistant researcher, Research Department   06/21/2019 – 07/31/2019
- I establish a database with macro indices concerning liquidity and interest rate, etc. for banking industry. I helped my boss work on his monthly report.

ADDITIONAL INFORMATION

Additional Professional and Extracurricular Experiences
- Monitor and secretary of Youth League of my class (2018.9-2019.9)
  As monitor and secretary, I organized one class trip each term, hold class meetings and parties, led the rehearsals for new year's party, etc.
- Department of design, Student Union of the school of economics, assistant (2017.09-2018.06)
  I worked on the video for the opening ceremony of the Youth Economic Forum.
- Department of academics, Student Union of NSD, minister (2018.9-2019.9)
  As minister I organize monthly reading workshop offering access to free books and thoughtful idea exchange

Interests
- Piano: I join the Performing Department of the Piano Club and played Libre Tango for Piano Duet with my friend on our club's duet concert.
- I joined our school's football team as Right Side Back and played in Peking University Cup.

Computer and Language Skills
- I'm familiar with PYTHON and work on many tasks such as web scraping, data clearing and visualization, etc.
- Using MATLAB to do simulation and dynamic programming (solving models numerically).
- Econometric tasks with Stata.
- Drawing maps and doing spatial analysis with ARCGIS.

Name: Yu Yinjie
